

## **PRIVACY POLICY aCSCC.eu**

### **1. Introduction**

This privacy policy has been prepared to inform you about the practices of MEDonline regarding the collection, use and disclosure of personal data (as described below) via <https://aCSCC.eu/> (the 'site') in its capacity as data controller.

By "personal data" we mean all information related to an identified or identifiable natural person, as further defined in the general regulation data protection (EU) 2016/679.

By "data controller" we mean the person, company or other body that, alone or together with others, determines the purpose and means of personal **data** processing, as further specified defined the general data protection regulation (EU) 2016/679. Make sure you read this privacy policy before using the site or sending personal information. Your use of the site is subject to this privacy policy and the terms of use of the website. We can change or update this privacy policy in whole or in part at any time. We therefore recommend that you regularly consult the privacy policy for updates.

The date the last update has taken place is indicated above.

### **2. Processing of access data**

On this site you must log in for some or all parts of this site. When registering or logging-in, you are requested provide personal data. The log-in procedure varies per country and if authentication systems of Third parties are used, please also consult the privacy policy of the third party.

At aCSCC.eu the following personal data is collected:

- E-mail address
- Account details (Username and password)
- Specialty and possibly registration number

We process your personal data to ensure that you can also use it of the protected areas for which you must log in. The legal basis for this Data processing is largely the implementation of an (account) agreement with you.

In addition, a legal basis is our legitimate interest in the careful management of accounts and accounts record keeping. The accreditation points you have obtained are also passed on with your BIG number.

### **3. Processing of contact details**

The site also has a contact option to help with questions and log-in problems. Personal data collected through the contact form will only be use for the aforementioned purpose.

### **4. Other data processing**

This site also processes personal information sent by your own browser, such as your

IP address and browser specifications. This processing is necessary for the proper functioning of the site.

## **5. Cookies**

The site uses "cookies". Some cookies are necessary to make this site available to you, and other cookies allow us to analyze the traffic and users of the site. A number of these cookies are perhaps requiring your prior permission. For additional information and to see which cookies we use, please refer to our [cookie policy](#).

## **6. Retention of personal data**

We strive to store personal data as short as possible. We determine the retention period of your personal data on the following criteria: (a) the purpose for which we provide your use personal data: we keep your personal data for as long as necessary for that purpose; and (b) legal obligations: laws and regulations prescribe minimal required storage times, which we must obey.

## **7. Your rights**

In accordance with the General Data Protection Regulation, you have the following rights:

- Right to access personal data. You can contact us to obtain information whether or not we do not process personal data relating to you. If we have your personal data, we will inform you about the categories of personal data we process, the objectives of the processing, the categories of recipients to whom personal information has been or will be disclosed and the intended storage period or criteria to determine that period.
- Right to rectification. You have the right to rectification or completion of inaccurate or incomplete personal information that we store about you.
- Right of objection. If our processing is based on a legitimate basis of MEDonline, you have the right to object to this processing at all times. We will not collect your personal data any longer unless we have compelling legitimate grounds.
- Right to limit processing. You have the right to request us to limit the processing of your personal data in specific situations as laid down in applicable legislation on data protection. Restriction of data processing can influence the functionality of your use of the site.
- Right to erasure. You have the right to request us to delete your personal data if your personal data is no longer needed for the purposes for which they were collected and otherwise processed. You also have the right to data erasure if you exercise your right of objection as referred to above, unless we have a higher legitimate reason not to delete the relevant data. We may not be immediately able to remove all remaining copies from our servers and backup systems after the active data has been deleted. Such copies will be as fast as reasonably possible deleted.
- Right to data portability. You have the right to obtain your personal data in a structured, common and machine-readable form and / or to request a transfer of your data to a third party if this is technically possible. Note that this right only relates to personal data that you have provided to us.

In order to exercise the above rights, or if you have any questions, please contact us by clicking on the "Contact" link at the contact page of the site or by contacting us at:
